

100 19:00 around 82 up
- Circles with halos chained together
moving

- physical very taxing
- fear of teeth grinding
need to bite something

- body

head feels away

- my body wants to move

- biting

- hand through face

- his and her schaukeln

- kind empty hungry(?) weird
without energy?

17:43

- fast does not feel different

- I need to shift, but can't

- much more bodily than I thought

- sensory

- almost block audio and taste

→ less intense

- like a force forcing me inwards

- I feel weak

most turbulent

big
effect

basically

I am in

a constant

I want

to Eng

- not made visual effect
- but feels like amphetamine
- my foot is twitching out
- head intense fluff

17:52

rest does not feel

- wattle get out different
- put off pallover why?

- need to do

something

- wiring from lamp looks maddy

- I can't focus anything

- my mind spring

free like spring back

without negativity

why do you BOUND me?

you physical work

- Its not that I need to bite

its more physiological it eating

- I close my eyes

- Why is it so sexual

- the hue of color I see changes

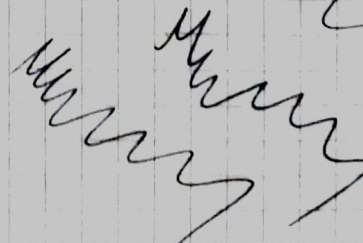

warm → cold

hump

- schmoochy
- movement finger at ag behind
 - yes all extremes more wavy
 - I wanna melt
 - One piece writing

19:16

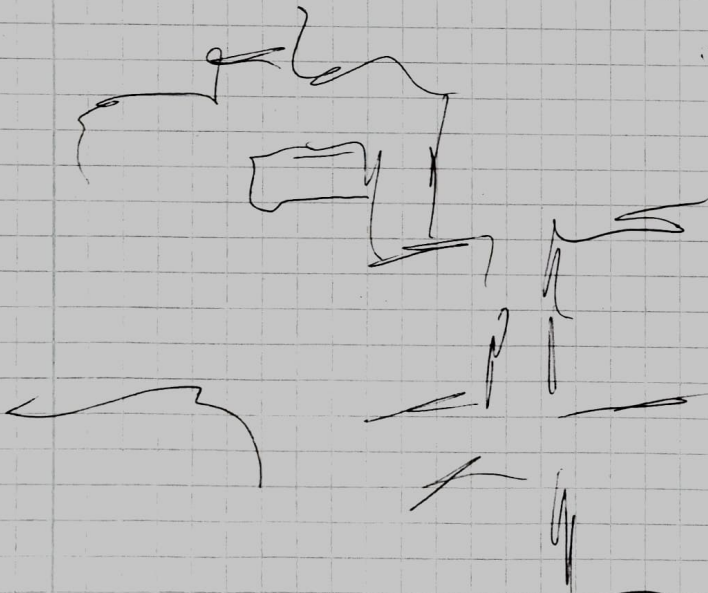

more & looser!

lies

lol

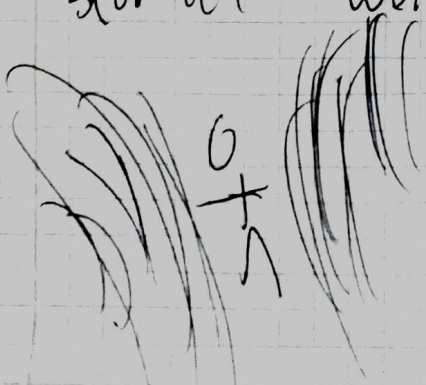

- has too expanding effect, maybe cause not

but this
goes all wrong

So fucking ~~penetration~~

I imagine how I would make a story of
it instead of experiencing

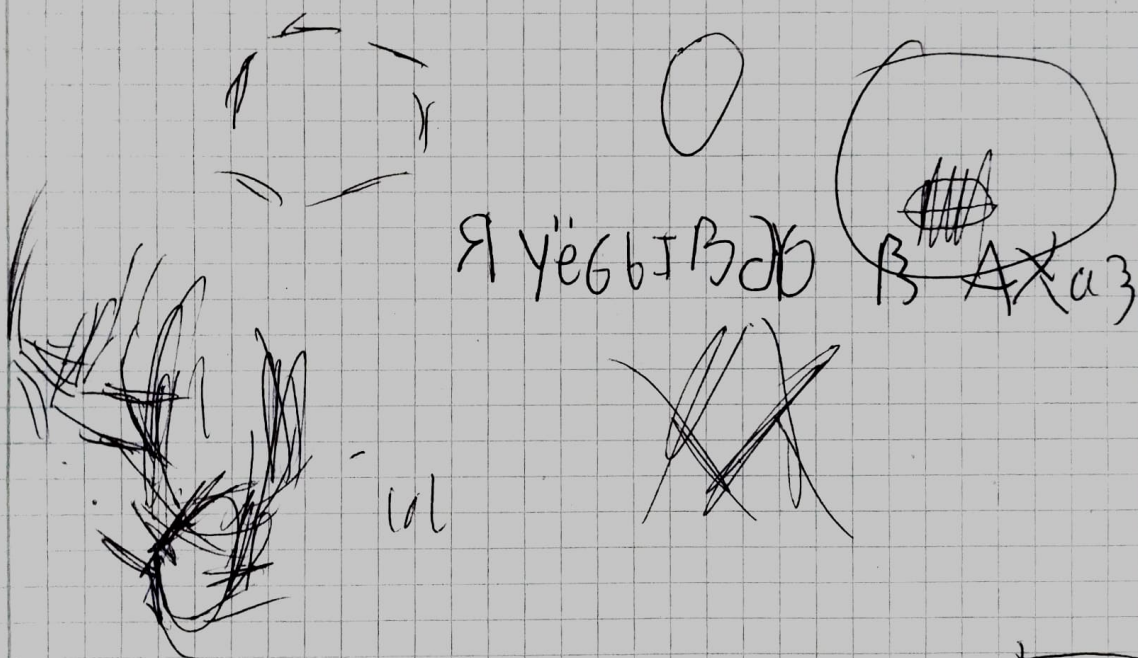

Inauthenticity

— way to sexual

stumble—

awake but open

I think about making story of it again
